

ABOUT MUNYON'S PAW-PAW

Munyon's Paw-Paw is an all-natural American aperitif inspired by Dr. James Munyon's 1903 recipe. Traditionally served before meals with low alcohol content, this versatile aperitif can be enjoyed neat, on the rocks, or in your favorite cocktail at any time. Unlike most liqueurs, our recipe is transparent—14 ingredients listed on the bottle. The only secret? Where they're written—take a moment to explore the label to find out!
