

UPCYCLE DAY 2024

MIXED MEDIA MAIL ART

with Lisa Cox

Join Lisa for a mixed media mail art workshop where creativity meets the joy of giving and receiving. Send off or swap your unique creations and enjoy the excitement of receiving something equally amazing in return.

ABOUT LISA

Lisa has never met a craft she doesn't like. Lisa especially loves mail art, which she started in the 80s and expanded in the 90s. After a break to raise her daughter, she's back, creating artistamps under the banner "Posta Rica." By day, she's a nurse practitioner; by night, a crafter and currently working on an embroidery journal for 2024, and enjoying crochet, sewing, and gelli plate printing.
